An act to amend Sections 2850 and 2854 of the Probate Code, relating to trustees.

LEGISLATIVE COUNSEL'S DIGEST

SB 1248, as amended, Bowen. Statewide Registry: trustees.

Existing law requires the Department of Justice to maintain the Statewide Registry of conservators, guardians, and trustees. Existing law requires any person who wishes to serve as a trustee to register with the Statewide Registry. Existing law excepts from the requirements of the Statewide Registry conservators, guardians, or trustees who are related to the conservatee, ward, trustor, or vested beneficiary by blood, marriage, or adoption. Existing law also excepts trustees who administer less than 6 trusts at the same time. Existing law requires the department to make information in the registry available to a court for any purpose, while otherwise keeping the information confidential. Existing law permits the department to disclose whether a person is registered with the Statewide Registry upon a request.

This bill would require the department to disclose, upon request, whether an individual is registered with the Statewide Registry and if any complaints have been filed, as specified, on an individual. The bill would also require the department, upon *written* request by a member of the public, to provide access to complaint information regarding an individual.

The bill would except from the requirements of the Statewide Registry a conservator, guardian, or trustee when the person is related to the conservatee, ward, or trustor of the trust through domestic partnership or ~~cohabitation~~ *a relationship that satisfies specified criteria*. The bill would except from the requirements of the Statewide Registry a conservator, guardian, or trustee who is serving for the benefit of only one person or only one family, as defined. The bill would remove specified relationships with a vested beneficiary as *a* means by which a conservator, guardian, or trustee is excepted from the requirements of the Statewide Registry, as described above, and would also eliminate the exception for trustees who administer less than 6 trusts at the same time.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*
